THE MOST COMPLETE REPORTING TOOL

Reporting is time-consuming and delays strategic decision-making. With Jet Reports, you empower your team to autonomously create and execute accurate, fast reports with the necessary information for decision support.

JET BUDGETS

Control and simplify your budgeting process through a simple, adaptable, and easy-to-use planning solution designed for your business, your users, and your Microsoft Dynamics system. Permanently eliminate inconsistent, manually created, unreconcilable spreadsheets and reduce the time spent creating budgets.

MAKE ACCURATE BUDGETS

• Managed spreadsheets so you never have to cut and copy data again, or fear of having the wrong version.

• Online solution for a centralized workflow. Full visibility into the status of tasks so you always know what stage the workflow is in.

SAVE TIME AND RESOURCES

- Automated, planned tasks that keep the budgeting process organized and on track.
- Instant integration with Microsoft Dynamics 365 to import approved values in minutes.
- Reusable budget templates that put an end to duplication of work once and for all.
- Simple and fast set-up process, avoiding time and resource consumption in complex installations.
- Intuitive interface and familiar tools that allow you to get started with your Jet Budgets solution today.

CONTROL THE PLANNING PROCESS

- Defined standards for data entry that simplify the reconciliation of information.
- Email notifications that allow you to always be up to date.
- Individual user roles and permissions that ensure security procedures and policies are enforced.

SIMPLIFY THE BUDGETING PROCESS

- Customizable structures to your budgeting methodology.
- Use all segments, dimensions, or ledger accounts to have no limitations.

GET FULL VISIBILITY SO YOU'RE **ALWAYS IN THE KNOW**

• Comparative and flexible reports between actual values and forecasted values in Excel.

• Task notifications that allow you to follow the plan laid out for your company on its path to success.

SPECIALLY DESIGNED FOR YOU

Directly linked to:

- Microsoft Dynamics NAV;
- Microsoft Dynamics 365 Business Central;
- Microsoft Dynamics AX;
- Microsoft Dynamics 365 for Finance and Operations.

OTHER SOLUTIONS

JET REPORTS FINANCIALS

All your financial data within Excel, just a click away. Quickly and easily generate accurate financial reports on the desired basis, directly in Excel.

Get the answers you need by easily accessing source data and enjoy the freedom to focus on other tasks while your reports run and distribute automatically.

- Reports with real-time data;
- Supports multiple companies by consolidating different currencies;
- Automated scheduling and dispensing;
- Interface with Excel

JET HUB

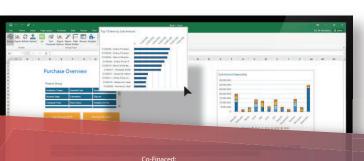

FO Jet Hub is an online portal that easily integrates with your Microsoft Dynamics AX, GP, NAV, and 365 solutions. Get access to the right data in your Microsoft Dynamics ERP, whenever you need it, by managing reports, dashboards, and budgets.

• Jet Hub is designed to simplify report management, improve organizational visibility, and increase productivity.

• It's the best option for centralized reporting management and collaboration with Microsoft Dynamics

• Offers full online support and accessible resources 24/7

PORTUGAL 2020

BENEFITS

Eliminate errors

EExtract all data directly into Excel. No manual export, no copy and paste. Get started and create reports right away.

Online answers, in time from anywhere

Drill down the numbers directly from Excel. Access and manage reports from anywhere.

Portability of Reports

Reports are updated in line with the ERP upgrade. Automatically transitions from one version of Dynamics to the next.

Reduce reporting time and costs

No coding or programming skills are required, as reports are updated in sync with the ERP.

Data Accuracy

All-in-one collaboration and publishing platform. Feel confident that data is recorded and shared in the correct place.

Designed for the Dynamics Community

Built specifically for Microsoft Dynamics. Extensive library of reports for immediate use. Same day download and installation.

ABOUT ARQUICONSULT

Arquiconsult is an information systems consulting company, based on Microsoft Dynamics technologies, with offices in Barcelona, Bilbao, Lisbon, Luanda, Madrid, OPorto, Ryiadh, Salamanca, Seville and Villa Real.

Composed by the largest and most experienced team of consultants, having already implemented some of the most complex Microsoft Dynamics Business Solutions and being frequently referred to international clients for their implementations in our country.

Arquiconsult is constantly innovating its offer and has several verticals available, for several activity sectors, which add value to Microsoft Dynamics 365.
