

## MICROSOFT DYNAMICS 365 BUSINESS CENTRAL PORTUGUESE LOCALIZATION

LOCALIZATIONS  
SOLUTIONS

## THE PRODUCT

Solutions for Microsoft Dynamics 365 Business Central, certified by the Portuguese Tax Authorities (AT – Autoridade Tributária e Aduaneira), ensuring compliance with all applicable tax and legal requirements in Portugal.

This means that all needed communication between customers using Microsoft Dynamics 365 Business Central solutions and Portuguese Authorities are covered, respectively the SAF-T; yearend inventory report; monthly invoice report (supporting upload solution into the AT Portal) and also transport notification report via web services or manually on the AT services.

Additionally, this module also extends the functionality of Microsoft Dynamics 365 Business Central in order to better support the business processes and report requirements that are unique to Portugal, like:
